### **Request for Applicants**

Prairie Women's Health Centre of Excellence is seeking a qualified contractor to undertake an environmental scan of opportunities for corporate sustainability.

Prairie Women's Health Centre of Excellence is an incorporated not-for-profit with operations in Manitoba and Saskatchewan, and partnerships across Canada and internationally. PWHCE conducts community-based policy research, training and communications to improve the health status of women by making the health system more aware of and responsive to women's health needs.

Reporting to the Executive Director, the Contractor will assess the state of the environment for interim and long-term planning, including opportunities through grants, foundations, partner institutions and orders of government. Data are to be gathered in a variety of ways, including key informant interviews. The final deliverable, due by October 26, 2012, will be a report to the Board of Directors providing options to assist in setting and implementing strategic and development goals.

***Candidates for this position will have the following qualifications, skills and experience:***

- Minimum 5 years' experience in strategic communication and marketing for non-profits
- Demonstrated experience to conduct and report on review of opportunities from multiple perspectives
- Knowledge of local, national and international issues and opportunities relevant to gender, women's and girls' health
- Demonstrated excellence in oral and written communication
- The ability to work independently and as part of a team.

Please submit a cover letter, resume, references, brief description of proposed methods, and bid by August 15, 2012 to:
